We have filed your company's *Certificate of Formation* with the state of Texas. A copy of your company's filed Articles is enclosed for your reference. Complete the following steps to confirm your company formation.

- Review the *Certificate of Formation* document in your packet to make sure all of your company information is correct.
- If there are any errors, contact LegalZoom at (800) 773-0888 (Mon-Fri, 6AM-7PM PT) or customercare@legalzoom.com.

United States Corporation Agents, a wholly owned subsidiary of LegalZoom, will be the entity that will act as your registered agent.

If you change your company address, it is very important that you notify LegalZoom of the change. This will allow us to properly deliver important state notices and service of process. To notify LegalZoom of an address change, simply call (866) 698-0052.

You should have already seen a charge for this service. The LegalZoom Registered Agent service renews annually.

☐ Sign and Return Form SS-4

We have obtained your company's Employer Identification Number (EIN) from the Internal Revenue Service (IRS). This nine digit number is used by the IRS to identify your company in tax matters. Follow these steps to complete the *SS-4 application*:

- Review the form *SS-4 Application for Employer Identification Number* in your packet to make sure all information is correct.
- Have the listed officer sign and date the form.
- Mail the signed form back to LegalZoom using the envelope provided. You can also fax it to us at (323) 962-0227.

Please note: In your packet you may see a document that lists your EIN number. This document will be of official IRS letterhead and will have a detachable section at the bottom. **DO NOT SEND THIS TO LEGALZOOM.** The detachable section is for you to return to the IRS if you send them any correspondence by mail. They will use it to identify your account, if you send it to LegalZoom, we will have to send it back to you.

YOUR NEXT STEPS

☐ Review and Sign the Company Agreement

We have created a *Company Agreement* for your company. This agreement describes the company's ownership structure and sets forth how the company will be managed. Follow these steps to sign the *Agreement*.

- Review the *Company Agreement* in your packet to make sure all the information is correct.
- If members are contributing cash to the company, write the amount of the contribution in *Exhibit A* of the *Agreement*. Cash is not the only asset a member can contribute. A member could contribute property, equipment, and even their time or labor. If a member is contributing something other than cash, you should speak with an attorney before determining the value of the asset.
- Have each member of the LLC sign the *Company Agreement*.
- Give each member a photocopy of the signed *Agreement*.

Please note: See the *Help Guide*, included with these instructions, to learn how LegalZoom can help you schedule a consultation with an attorney.

☐ Distribute Membership Certificates

We have included *Membership Certificates* for your LLC. These *Certificates* confirm the company members' ownership. At least one *Membership Certificate* is provided for each member of your company. Follow these steps to properly distribute these *Certificates*:

- Have each member of the company sign a *Membership Certificate*.
- Make photocopies once all *Membership Certificates* are signed.
- Keep photocopies of signed *Certificates* in a secure location.

Please note: Although not legally required, many companies choose to use their official seal to stamp each *Membership Certificate*.

YOUR NEXT STEPS

☐ **Decide On a Tax Setup**

Since you formed a single-member LLC, the IRS initially classifies your business as a disregarded entity. If you wish to change the classification of your LLC to a Corporation or S-Corporation, you must complete and submit the required form to the IRS.

Once you decide, file the correct paperwork with the IRS as soon as possible.

To elect S-corporation status for your LLC, you also need to file IRS Form 2553. You can find this form at:

→ <http://www.irs.gov/uac/Form-2553,-Election-by-a-Small-Business-Corporation>

To elect corporate status for your LLC, you also need to file IRS Form 8832. You can find this form at:

→ <http://www.irs.gov/uac/Form-8832,-Entity-Classification-Election>

To learn more about tax classification for your LLC, and how LegalZoom can put you in touch with an accountant, please see:

→ *Review Your Company's Tax Options with an Accountant (in the **Help Guide to Your LLC**)*

☐ **Prepare to File the Annual Report**

Your company must complete and file an *Annual Report* as required by state law. This document notifies the state agencies about any changes to your company's contact information and type of business. To learn more about this requirement, read below:

- Your company must file its *Public Information Report* along with its *Annual Franchise Tax Report*, and pay any associated taxes, by May 15th of each year.
- You have elected to have LegalZoom serve as your Registered Agent. This service will send you important reminders about your company, including reminders when your *Annual Report* is due.

Please note annual tax requirement: Your company must file its *Annual Franchise Tax Report* every year, even if no tax is due. Most companies will complete the *Public Information Report* and one of these three forms: 1) *No Tax Due Information Report* (Form 06-163), 2) *E-Z Computation* (Form 05-169), or 3) *Long Form* (Forms 05-158A and 05-158B). For more information about this requirement, please contact the Texas Comptroller's Office at (800) 252-1381 or visit: www.window.state.tx.us/taxinfo/taxforms/05-simple.html

☐ **Separate Your Personal and Business Assets**

Keeping your business assets separate from your personal assets can help to maintain the liability protection of your LLC. To get started separating your assets, follow these steps:

- Consider opening a bank account and credit card account that is entirely in your company's name that will be used only for business expenses.
- Consider moving personal property that will be used by your company, such as real estate or a vehicle, out of your name and into the name of the company.
